

TAYLOR GARDEN CLUB

Michigan Garden Clubs, Inc.
District I Club 392

Application for the Jeanne Eckert Scholarship

The Taylor Garden Club began in January, 1990. Throughout the years members have dedicated many hours of service to improve the greening of the City of Taylor. In an effort to continue the legacy of the club, and to honor a past member, we offer the Jeanne Eckert Scholarship in the amount of \$1000 to a graduating high school senior or college student who is choosing one of the following career paths: Horticulture Conservation Botany Environmental Studies Landscape Design.

This money is to be used for college expenses. The check will be made out to the school you attend. To apply, complete the application and mail to Taylor Garden Club at the address below. In addition, please include the following:

- A letter from a responsible adult (not related) who will vouch for the applicant's character
- A letter from the applicant's science teacher or professor
- A one page personal mission statement in which the applicant addresses the following:
 - Statement of purpose for the scholarship funds
 - How this will aid you to further your education
 - Your achievements or activities in this subject or field
 - A future presentation topic

All Applications MUST be received by May 6, 2011.
